

St. John's Summer Algebra 1 and English 9 2024 Kickstart Courses

These two abbreviated summer courses are designed to assist students with their preparation for Algebra 1 and/or English 9 at St. John's. Students will use their St. John's iPad and become familiar with Canvas, St. John's learning management system, as well as other applications. Courses will be held in person, on St. John's campus. Students may register for either (Algebra or English) or both (Algebra and English) Kickstart Classes.

Algebra 1 Kickstart

This course will review pre-Algebra skills and introduce concepts such as understanding variables, exponents, order of operations, linear equations, and practice with word problems.

English 9 Kickstart

This course will target critical reading and writing skills, such as guided reading strategies, writing thesis statements/paragraphs, vocabulary enhancement, and note-taking techniques.

JULY 8–18, 2024 | Monday–Thursday

Algebra 1

Session 1: 8:15 a.m.–10:00 a.m.

Session 2: 10:15 a.m.–12:00 p.m.

English 9

Session 1: 8:15 a.m.–10:00 a.m.

Session 2: 10:15 a.m.–12:00 p.m.

PRICE PER SESSION: \$200

These classes are designed for enrichment purposes, only. No credit will be given for course completion. Space is limited. Students should only register for one option per subject, as classes are identical.
